
MULVANE, KANSAS

SEDGWICK & SUMNER COUNTIES

Welcome to Our "City of the Valley"

Mulvane, Kansas is located 15 miles south of Wichita on the county line between Sedgwick [SG] and Sumner [SU] counties, five miles west of the corner where Sumner, Sedgwick, Butler, and Cowley counties meet. The city, named after Joab R. Mulvane, was founded in 1879 as a railroad and agricultural community, incorporated as a city of the third class a few years later in 1883, and changed to a city of the second class on December 20, 2001. The original Certificate of Incorporation was filed September 20, 1879 as the "The Mulvane Town Company." Joab R. Mulvane was responsible for the location of the important junction city which now bears his name. Serving a population of 5,500, Mulvane is a progressive city with officials and community members alike donating their time for the betterment of the community. The Mulvane Historical Museum, located in the former Santa Fe Depot at the west end of Main Street, houses community historical information dating back to the 1800s. The book *The City of the Valley*, a historical account of Mulvane, was completed in 1977 by the Mulvane Historical Society.
