LICENSE REGULATIONS

ARTICLE I

Vehicle License and Tag

Section 305.010. Display of License Plates. [Ord. No. 1107, 8-20-2001]

The license plate assigned to the vehicle shall be attached to the rear thereof and shall be so displayed during the current year registration year or years, except that the license plate issued for a truck tractor shall be attached to the front of the tractor trailer and a model year license plate may be attached to the front of an antique vehicle, in accordance with K.S.A. 8-172, and amendments thereto. Beginning in 1985 and thereafter two (2) personalized license plates may be issued for passenger vehicles and trucks licensed for a gross weight of not more than twenty thousand (20,000) pounds. One (1) such personalized license plate shall be displayed on the front of the vehicle, but no registration decal shall be issued for any plate affixed to the front of a vehicle pursuant to K.S.A. 8-134, and amendments thereto. Every license plate shall at all times be securely fastened to the vehicle to which it is assigned so as to prevent the plate from swinging, in a place and position to be clearly visible and shall be maintained free from foreign materials and in a condition as to be clearly legible. During any period in which the construction of license plates has been suspended pursuant to the provisions of K.S.A. 8-132, and amendments thereto, the plate, tag, token, marker or sign assigned to such vehicle shall be attached to and displayed on such vehicle in such place, position, manner and condition as shall be prescribed by the Director of Vehicles.
